

Duke Energy Carolinas, LLC

Electricity No. 4
South Carolina (Proposed) Original Leaf No. 61RIDER US (SC)
UNMETERED SERVICEAVAILABILITY

At the sole discretion of Company, this Rider is available in conjunction with Company's Small General Service Schedule SGS when service is rendered on an unmetered basis and Customer's electrical requirement is demonstrated to be 100 watts or less. Each separate service delivery point shall be considered as a contract location for application of this provision. Company reserves the right to inspect Customer's equipment at any time to verify actual load and to install or require Customer install a current limiting device. In the event of Customer's failure to notify Company of an increase in load, Company reserves the right to refuse to serve this contract location thereafter under this provision and to require Customer rewire to permit metered service. All equipment must conform to Duke Energy engineering and safety standards.

This Rider is not available for short-term, construction, temporary, breakdown, back-up or standby service. This Rider is only available for applications designated as outdoor lighting only poles and must not interfere or otherwise impede the performance of the Company's outdoor light.

The provisions of Small General Service Schedule SGS with which this Rider is used are modified only as shown herein.
